Individuals may also become Certified Dental Assistants (CDAs) by meeting certain criteria and passing an exam. Completing training in Dental Assisting may originally seem like it leads to just one straightforward job, but there's more to it - it can open the door to various rewarding and long-term careers in the overall field of dentistry! To get started, all you need to do is take the first step and sign up for Dental Assistant Pro. Duties include taking the patient's history, cleaning teeth, taking and developing dental x-rays, placing sealants and fluorides, teaching patients how to brush and floss properly, educating the patient on how nutrition is important to good dental health, and more. (See Software section below for upgrading Win 10 home).Encryption instructions for both OS's can be found here.Restrictions -Chromebooks, Netbooks, IPAD's or Android tablets do not meet ULSD's requirements. The lab technician works with a wide range of materials and high-tech equipment and instruments.Education/Licensing Requirements: A one-year degree of certification for studies at a college is available, and continuing education in the field is desirable. For more information on this, please contact the Dental School Financial Aid Coordinator at dentfa@louisville.edu.Should I purchase a Mac or a PC?This is personal preference, Either device will work for the programs offered here. If unsure, check with the DI department.Disk Encryption -You must be able to encrypt your drive using BitLocker (Microsoft) or FileVault (macOS). Some ways in which you can help are as follows. It is strongly recommended that you purchase a good Antivirus program for your laptop or Mac book and keep it updated.Keep your Operating System updated with the latest security patches.Back up your data, as often as possible.Think before you click, avoid websites with pirated material.Never open any links or attachments from within email sources unknown to you or suspicious looking emails no matter the source.Always hover over a link (especially one with a URL shortener) to see where the link is really taking you.Never allow others to download anything on your device or use any removable media that has not been checked for viruses.Always keep your ULINK password secure, never sharing or sending it via messenger or mail. Dental hygienists are licensed by the Ohio State Dental Board.An Expanded Function Dental Auxiliary (EFDA) is a person that can perform the same tasks as the dental assistant, plus place restorations and sealants, working under the supervision and full responsibility of a licensed dentist.Education/Licensing Requirements: To qualify as an EFDA, an individual must pass the Ohio State Dental Board designated examination for expanded function dental auxiliaries.Certified Dental Assistants can receive on-the-job training, and a minimum of a high school diploma is required. You'll be surprised by how many amazing opportunities are available. Don't wait around in pain for the... BitLocker is only available on Win 10 Pro, Education and Enterprise versions. Therefore, extended warranties, at the time of computer purchase are highly and strongly recommended to provide a means for quick repair or replacement.FAQ's -Can I get financial aid for purchasing my laptop/tablet? Read More Updated June 2021All incoming students must own a computer that meets the minimum requirements set out below.The purpose of this is to ensure you are able to participate effectively in all technology aspects while enrolled.▶▶▶Caution : Please use extreme caution when upgrading any O/S ensuring that all software used is compatible with any upgrade. Same goes for MS Surfaces running Windows RT, 10 Home S Mode or any mobile operating system.As a result these may not be used.Software -Current compatible browsers are Chrome, Edge, Safari and Firefox. You will find a healthy mix of PC's and Mac's within our student population.Will I have wireless access everywhere on campus?Yes, the School of Dentistry has full coverage so access will not be an issue.Where should I purchase my device?It is suggested that you shop around for the best deals, but cheapest does not always equate to the best deal.You can view options at the University's Campus store by navigating to options are available through University partners by using the address below and navigating to the links listed under "Computers-Personal Purchases Only" ◀(this option does require UofL ULINK login credentials)Where can I charge my device?Charge your laptop at home, free outlets around the school and there are available outlets at each desk in the lecture rooms with a couple of exceptions.How can I stay safe and avoid viruses and other intrusions?There are many ways you can stay protected, IT security is not just IT's job, its everyone's responsibility. How can I request this?When your student aid is awarded, the cost for a laptop/tablet will be included in your initial financial aid package (as this cost is included in your cost of attendance). Dental assistants who take x-rays must hold a permit to do so from the Ohio State Dental Board.Dental lab technicians are the behind-the-scenes members of a dental team, working from the dental laboratory making full and partial dentures from impressions taken at the dentist's office. Possible career paths available to Dental Assistants include the following: Reserve a Spot Request More Information Financial Options Class SchedulesCurrent Cost & Payment PlansFinancial OptionsLow Tuition (so everyone can afford it) DOWNLOAD COST & PAYMENT OPTIONS 1808 Powder Springs Rd. SW Marietta, GA 30064 Are You Singing the Toothache Blues? The dental assistant may also help the dentist with examinations and fillings. Brushing and flossing regularly is the best... Read More How to Clean Teeth Like a Dentist Oral hygiene is the foundation of good dental health. Be aware of updating this software in line with your O/S some versions released are incompatible with certain versions of Windows and Mac O/S's. Check with Academic affairs first before proceeding. It is expected that you keep these patched and updated to the latest versions, for security measures.Blackboard & Lockdown Browser - Ensure any IOS upgrades are checked with the compatibility with Blackboard & Lockdown Browser.ExamSoft - Software used for testing in many of the courses. They also create crowns and veneers, orthodontic appliances, and splints. Additional studies are available for higher-level careers in dental hygiene, such as teaching, clinical practice or public health. If you have Windows 10 Home, see below section on Software for upgrade from Home to Education versions of Windows 10▶▶▶ CAUTION: Please use extreme care when upgrading any O/S ensuring that all software used is compatible with any upgrade. Contact - Connie RoughMicrosoft Windows 10 Education - The University does offer an upgrade from Windows 10 home to Windows 10 EducationSecurity -Students using PC's are strongly encouraged to use Microsoft Security Essentials antivirus software - a free download from Microsoft, instructions can be found here. you may use another antivirus program that is subscription based (free antivirus programs do not meet ULSD requirements)Students using MAC's are also strongly encouraged to use some form of antivirus. MAC's are widely thought to be virus free, this is incorrect and are becoming more and more susceptible to same range of viruses that we see in PC's today.Support -Dental Informatics is unable to provide hardware or software support to student-owned computers. CDAs may polish teeth and place sealants in addition to providing all of the services that a dental assistant can.Dental assistant tasks can include taking and developing of dental x-rays, taking patient blood pressure and pulse, patient comfort, demonstrating good oral hygiene techniques, taking impressions, providing the patient with follow-up instructions after surgery or other oral procedures, and infection control. UofL will never request your password in any way.For a full listing and details of the University's Policies on Information Security please follow this link. Explore the many career opportunities in the dental industry!There are several career areas for dental professionals, each with its own educational requirements; some require certification and licensure. Dentistry is a unique profession in that there are so many avenues of oral health to explore.Benefits of a career in dentistry include the gratification and prestige of working in the health care field, job security, flexibility, and a sense of personal satisfaction from helping others.For more information about dental careers:Visit the ADA's resource page.For a current list of dental, dental hygiene, dental assisting, and EFDA programs in Ohio, click here.Learn more about the duties that each member of the dental team is able to perform.Dentists enjoy a unique, diverse, technology-driven profession with numerous areas of service and expertise:Disease detectionDiagnosis & treatmentEsthetic improvementSurgical restorationPublic educationPreventionEducation/Licensing Requirements: Undergraduate education and four years of dental school; additional education for dental specialties. There are good job opportunities on a full or part-time basis in dental hygiene.Education/Licensing Requirements: Completion of a dental hygiene curriculum, generally offered as part of a two or four-year full-time curriculum at community colleges, technical schools, universities and/or dental schools. There are excellent employment possibilities in this field.Education/Licensing Requirements: Dental assistants can receive on-the-job training, and a minimum of a high school diploma is typically required by the employer. Are you or a loved one suffering from the toothache blues? If unsure, check with the DI department▶▶▶ IMPORTANT -\*Windows 7 and Windows 10 Home do NOT meet the ULSD minimum requirements and must be upgraded to Windows 10 Pro at a minimum. Each student is responsible for the upkeep, management, and repair of their own computer. Dentists are licensed by the Ohio State Dental Board.Registered Dental hygienists are an important part of the dental care team. However, better opportunities may exist with a college certificate or two-year degree.Education/Licensing Requirements: Dental assistants who take x-rays must hold a permit to do so from the Ohio State Dental Board. \*\*Pro, Education or Enterprise versions of Windows 10 meet the ULSD Requirements. However, better opportunities may exist with a college certificate or two-year degree.
